

# TOWN HALL MEETING

## Let's Talk Concrete

Sept. 25 | Courtyard Marriott | Prince George, BC

Members, please join the Concrete BC Board of Directors and staff later this month for an industry update meeting, with a special focus on the BC Ministry of Transportation & Infrastructure (MoTI) Concrete Specification and requirements for concrete. This is a great opportunity to bring your road building customers for a straight up discussion about how to optimize concrete construction for infrastructure projects.

### AGENDA

- 10:30 am – 2:15 pm Board of Directors' meeting, with working lunch. Concrete BC members are welcome to attend.
- 2:30 pm – 5:30 pm Presentations with Concrete BC & Ministry of Transportation & Infrastructure (MoTI) staff on updates to the concrete specification and Ministry requirements. Concrete BC's Technical Committee Members, *Matt Dalkie and Cengiz Guldemet* will co host with BC MoTI Director of Structural Engineering, *Kevin Weicker*. A broad cross section Northern Region MoTI staff will attend from new bridge managers and project managers to our concrete and specification experts.

#### Concrete Fundamentals with the Experts

- Options for concrete production in remote areas
- Plant certification
- Mix Design Constituents and Parameters

#### MoTI Presentation Covering:

- Current MOT concrete specifications and directions
- MOT direction GUL (Portland Limestone Cement)
- MOT (bridge) organization and responsibilities related to construction/concrete issues
- MOT (bridge) approach/philosophy dealing with concrete approvals & issues on construction

**Tuesday, September 25 at the Courtyard Marriott Hotel, 900 Brunswick St., Prince George, BC.**

Attendance is **FREE** for Concrete BC members and their contractors, but **PLEASE RSVP BY**

**FRIDAY, SEPT. 21** to [cguldemet@concretebc.ca](mailto:cguldemet@concretebc.ca) and indicate whether you'll attend:

- board meeting only     presentations & reception only     both
