

Build a solid future as a

# Concrete Delivery Professional

**TOP 3**  
**MOTIVATORS**

## Great Salary

Competitive salaries in every region.

## Local Convenience

Ready-mix concrete is a short-haul, 'around town' product. Mixer drivers are home every night.

## Affordable License

Ready-mix drivers only need a Class 3 license (with an airbrake endorsement) in order to drive a mixer truck.

## So, if you want to

- Be home every night
- Receive good pay and benefits
- Drive a late model concrete mixer
- Gain technical knowledge beyond driving a truck
- Take pride in building a better community
