

Metro Testing & Engineering Ltd. and ACI BC Chapter CSA Standards Concrete Field-Testing Technician Certification

Date: **Friday, May 10th, 2024** (10:00 am – 5:00 pm)
Saturday, May 11th, 2024 (8:00 am - 1:00 pm)

Location: #401 – 6741 Cariboo Road, Burnaby, B.C.

Cost: \$785.00 + GST (\$824.25 total)

OBJECTIVE

This certification is based on seven **2019 CSA Standard A23.2** test methods. There will be a review of basic concrete field testing, and a hands-on practice session prior to the written and performance exams for ACI Field Testing Technician.

MATERIALS & PROGRAM

In advance of the course, each participant will receive a Student Workbook describing the seven required CSA procedures for fresh concrete testing. Pre-study is required prior to attendance. The written and performance exams will be conducted on the Saturday. Individuals passing these exams, scored by ACI’s Certification Dept., will be awarded a five-year certification.

Please submit your registration via email – class size is limited to 10 individuals

PAYMENT REQUIRED by April 19th, 2024, to reserve your space in the class.
